

39th SICOT Orthopaedic World Congress

Montreal,
Canada

10-13 October
2018

Final Programme

The SICOT Board of Directors, Congress President Prof. Julio Fernandes and SICOT Programme Chair Mr. Vikas Khanduja are pleased to announce the publication of the [final programme](#) for the 39th SICOT Orthopaedic World Congress!

The meeting will run from 10-13 October 2018 in Montreal, Canada. We will be welcoming three stellar plenary lecturers: Dr Mohit Bhandari, Dr Alexander R Vaccaro and previous BOA President Professor Timothy Briggs, and as well as 50 jam-packed programme free poster sessions there will be almost 40 carefully curated instructional symposia to enjoy, including sessions run by the American Hip Society, AOREcon, the Asia Pacific Orthopaedic Association, the Canadian Orthopaedic Association, the Fragility Fracture Network and the Orthopaedic Trauma Association to name a few!

As well as the symposia we are also happy to be hosting the 8th SICOT Educational Day, the 27th International Course on Polytrauma Management, the 9th International Clubfoot Congress and the International Osteoporosis Foundation symposium. You can still [register at a reduced rate now](#); see you there!
